

DIGITAL ARTS

01

START WITH TOOLS YOU KNOW, THEN TRY SOMETHING NEW!

Begin with apps you're comfortable with, such as Canva or simple drawing tools. Explore new platforms as your confidence grows.

PROTECT YOUR PRIVACY

Before sharing your work online, think about what personal information, images, or locations you want to keep private and always ask for consent if others are involved.

03

TELL STORIES THAT MATTER TO YOU

Create art about your experiences, interests, or ideas! Authenticity makes your work more powerful and meaningful.

TRY, TEST, AND TRY AGAIN

Experiment with styles such as digital illustration, memes, short videos, or graphic posters, to discover what digital art forms you enjoy creating most.
